October 7, 2017

Phyllis Jones , the wife of the late John Jones, passed away Saturday, October 7, 2017 at the Harborview Satilla Hospice House. She left to cherish her memory, three children , seven grandchildren , and ten great grandchildren. She will be greatly missed.

Yea, though I walk through the valley of the shadow of death, I will fear no evil: for thou art with me; thy rod and thy staff they comfort me.

Thou preparest a table before me in the presence of mine enemies: thou anointest my head with oil; my cup runneth over.

Surely goodness and mercy shall follow me all the days of my life: and I will dwell in the house of the Lord for ever. Psalm 100:4-6

“ Phyllis Jones was a great woman don't get me wrong one thing I learned from her when my dad married her the late John R Jones is that you never tried to pull nothing over on her because she had eyes in the back of her head and you would get your butt in trouble lol. I loved her as if she was my own . She was and is and always be a great mother grand mother and great grandmother. She is in heaven now with my father and my mother looking down on all there children and I know one thing she is very proud of her daughter Billie Jo my sister She is a strong woman always looked out for her mother and her family just like my step mother raised her .To my step mother may you be dancing with the angels until we meet again at the pearly gates in heaven love you now and forever.
